			- 2 -
25X1 25X1	٤.	f.	a new road under construction between Ravnogor-Dospat as well as
		a.	Heavy mobilization is taking place in Pazardzhik and surrounding villages. "All men capable of bearing arms are now in barracks."
		b.	A student from Karlovo told one of the informants that all schools in Karlovo were closed as of 10 October so as to serve as barracks.
25X1		C ' 5	Pressure was exerted in engineer workshops in the district to complete the repair of old construction machinery and to ready new machinery for dispatch to the Zlaiograd and Tervishka Mogila areas
		d.	Show plaws have been distributed in the southern mountains. Previously the plaws were not distributed until January, and were dispatched from Plovdiv.5
25X1	3.		
		a , .	Reservists wear battle dress, as opposed to regulars who wear normal uniforms.
		r.	Erenches have recently been completed two kilometers directly north of Dospat.
-		c.	The RO p.m. curfew in the Krichim area is not strictly enforced because of the presence of migrant workers.
25X1	4.[(u.	a larger proportion of gas-generator trucks than he had seen last
25X1 25X1 25X1 25X1 25X1 25X1 25X1	[of rai	the unusual activity tioned above was an indication of war preparations. tension war preparation was higher than at any time during 1944-1945. However no particular security measures either on the roads or in the cities or at lway stations.
		1.	
	•	2.	oument: The military personnel were observed on a Saturday afternoon when Plivdiv is normally crowded with shoppers, including townspeople, peasants, and military in pass. The call-up of reserves began in September 1952 and may have been intensified because of the end of the plowing season.
		3.[Comment: Eoad and fortification construction in the Rhodope mountain area is part of a continuous program 25X1
		4.	comment: District engineer repair shops service all road-building machinery in southern Pulgaria. The destination of road-building equipment and the fact that work is being done on border defenses is not secret.
		5.	Journet : The maintenance program has been hindered because the Government does not provide enough workers.
